

My fear being a cop

By a PoliceOne Member

Graduate stands, family is proud
I love being a cop
Kids wave hi, as I patrol by
I love being a cop
Elderly adore, for holding the door
I love being a cop
Dope off the street, cleaning my beat
I love being a cop
Stopping her man, from laying a hand
I love being a cop
Hold on to a mom, her baby is gone
I love being a cop
Up on the stand, point out the man
I love being a cop
Never at home, wife feels alone
I love being a cop
Kids ask for dad, they act so sad
I love being a cop
One more stop, before I'm off the clock
I love being a cop
The stop went bad, my family is sad
I loved being a cop
Bagpipes play, class A's today
They show love for a cop
Hand off the flag, to his wife, their dad
Why did he have to be a cop
I'm lowered down, six feet in the ground
That is my fear, of being a cop

The Sheriff's Office, and Anytime Fitness raised a grand total of \$9,700 for the D.A.R.E. program. As said before, this money is going to keep D.A.R.E. Deputy Ted Falke from having to spend hundreds of hours on fundraising efforts, which will allow him to be in the classroom where he is needed the most.
